Lara Weiss, North Coast AIDS
Project
268-2139*

*Eric Rofes is a long-time community organizer and activist and is currently a professor of education at Humboldt State University. He is the founder of the National Gay Men's Health Summits and was the convener of the first three summits in Boulder, CO and Raleigh, NC. He is the author of nine books, including *The Kids' Book of Divorce - By, For, and About Kids*; *Reviving the Tribe: Regenerating Gay Men's Sexuality and Culture in the Ongoing Epidemic*; and *Dry Bones Breathe: Gay Men Creating Post-AIDS Identities and Cultures*. He is currently working on a multimedia Project that captures the experiences of gay men who have recently sero-converted.*
