

## **MANTALK:**

**A Dialogue about Masculinities, Sex,  
and Politics for Men of All Colors,  
Generations & Identities**

**NGLTF Creating Change Conference  
November 2004 / St. Louis, MO**

**Eric Rofes  
Workshop Leader**

### **Three-Minute Write**

- 1. Within the LGBTQ movement, who are the "men"? Do you feel like a man in the movement? Why or why not?**
  
- 2. In what ways have you used your own ability to perform various genders to get**

**what you want politically, socially,  
sexually?**

**3. When we think about sexual health and  
pleasure, safety and risk, what do we want  
from other men? What do they seem to  
want from us?**
